

KIDS

gathering program at Crossroads

We encourage all school-aged children to attend, to invite friends, to serve, to strengthen their faith in God, to build strong friendships, and, of course, to have fun. Join us throughout the year.

Our objective is to encourage our children to become mature followers of Jesus Christ through:

- **Compassion** We will provide opportunities for service in our community and within our congregation.
- **Community.** We will offer activities to have fun with each other as well as unchurched friends and neighbors.
- **Connection** We will build relationships through fun, faith and fellowship that connect children and their families to Jesus Christ and His Family.
